

GENERAL EDUCATION/GRADUATION REQUIREMENTS POLICY COMMITTEE
2013-2014

Monday, September 30th
3:00 p.m. - 4:30 p.m.
SAC Hall 275

AGENDA:

1. Special Session: Call to Order
 - A. GE Assessment – Review of and action on the Proposed Policy on GE Assessment

Justification for the change to the GE Assessment Policy:

*Previous GE program reviews and our most recent WASC review identified a greater need for authentic outcome-based assessment of the General Education Program.

*Since our last policy revision (2004), the campus has also passed revised Baccalaureate Learning Goals and is in the process of revising Area Student Learning Outcomes that align with those goals.

*Our current policy on GE Assessment describes a cyclical five-year process for syllabi review and assessment plans. Indeed, the GE/GR Course Review Subcommittee has begun to review Area B syllabi with the newly adopted Area B Student Learning Outcomes.

While the policy charges the GE/GRPC, the GE/GR Course Review Subcommittee, and the Director of General Education (i.e. the Associate Dean for Undergraduate Studies) with a variety of shared responsibilities, the primary focus for GE Assessment is at the course and department-levels, not at the GE program-level. Indeed, the policy charges departments to report on assessment as part of their self-study/program review process.
