TO: Janet Hecsh  
Chair, Faculty Senate

FROM: Alexander Gonzalez  
President

SUBJECT: Senate Actions of December 5, 2013

I am in receipt of your memorandum of December 18, 2013 regarding actions taken by the Faculty Senate at its meeting of December 5, 2013.

The following program proposals are approved:

FS 13/14-50: Child Development Major B Pre-major (PCHS)

FS 13/14-51: MA in Child Development (concentration in Applied Settings)

FS 13/14-52: MA in Child Development (concentration in Theory and Research)

The recommendation regarding impaction for the Undergraduate Major in Biological Sciences, effective Fall 2015, is noted (FS 13/14-53).

The recommendation eliminating the Policy on Instructional Program Priorities (IPP); Academic Planning, Resource Allocation and Enrollment Management is taken under consideration. I note that the Senate has approved creation of an Academic Resource Allocation Decision-Making Task Force to again examine how faculty can best play a role in resource allocation matters in the future. I shall withhold a final decision on this until the report and recommendations emerge from the Task Force (FS 13/14-42a).

Thank you for your attention.
