As outgoing CPC Chair, I anticipate the following items will be discussed by the Curriculum Policy Committee in AY 2018/2019:

- Honors Curriculum policy: the proposed policy is finished and before the Senate; CPC awaiting guidance on how to proceed in light of Senate discussion.
- e-Learning policy: new draft of this policy is finished and will be submitted to the Senate Executive early in AY 18/19.
- Supplemental Instruction policy: CPC review of SI and consultation with stakeholders is complete. Will consult with Senate Exec early in AY 18/19 about extending the original charge of the CPC.
- Modification in, Suspension of, or Deletion of Existing Programs policy: CPC will continue to discuss revision of this policy early in AY 18/19.
- Co-Curricular Course policy: CPC will continue to discuss revision of this policy early in AY 18/19.
- Possible discussion of changes to Undergraduate and Graduate Degree Programs policy: CPC notes 1) that the existing policy does not adequately address issues surrounding interdisciplinary minor degree programs, and 2) definition and status of “Pre-Majors” must be clarified.
