The following items were acted upon by the Faculty Senate in AY 2017/2018:

- **FS 17/18-133a**, GSPC Memo Recommending that Exec place the AuD Program Proposal on the full Senate Agenda. The memo was included on the April 5 Senate agenda; the AuD Program was eventually approved by the Senate.

In addition, the Committee did the following:

- Significant discussion of amending Grad GVAR, including a workgroup composed of GSPC members.
- Discussion of Chancellor's Intellectual Property proposal

- Significant discussion of the issue of grad students co-authoring theses/projects
- Discussion of grads taking undergrad classes
- Significant discussion and review of the AuD program's initial and full program proposal, culminating in GSPC sending a memo recommending that Exec place the AuD proposal on the full senate agenda.
- Significant discussion of President's Graduate Education Task Force Report, which was initiated by the Report's publication and a referral by Exec. GSPC forwarded its Prioritization of the Report's Recommendations, which was included as **EX 17/18-175** on the May 8 Exec meeting, to be shared with the Senate at the next available Senate meeting.
