1. Call to order
2. Open forum
3. Approval of Agenda
4. Approval of 4/6/2015 minutes (see attached)
5. Develop a plan over the next few years for GE Reform -- learning outcomes that align to Baccalaureate Learning Outcomes:
 - English 20
 - American Institutions
 - Writing Intensive (Outcomes have been developed but not vetted across campus)
 - Foreign Language
 - Race and Ethnicity
6. Review of Andrew's response regarding Global Ed (see attached response)
7. Review draft policy regarding the CO's office requiring a minimum grade of C vs. C- for transfers and our need on this campus to align that requirement for all students in Areas A & B: – See Below (I'm still working on the actual policy):

G.E. Program Regulations

Breadth - Students are allowed to use no more than nine units from their major field to meet General Education requirements. There is no restriction on the overlap of courses between GE and courses taken for a minor.

Upper Division Unit Requirement

Distribution - Systemwide policy (E.O. 595) specifies that at least nine of the total number of semester units required in the General Education Program must be upper division level. At Sac State, all students, including transfer students who have completed the intersegmental transfer curriculum (IGETC), may select coursework from any area of the G.E. Program to satisfy this requirement.

Prerequisites - All upper division courses approved for G.E. listing require at least second semester sophomore standing and completion of all Area A requirements as prerequisites for enrollment.

Area D Regulations

Title 5, Section 40404 requirements: see Section II A.

Grade Point Requirements

- a. A 2.00 grade point average must be achieved in all courses included in the General Education Program.
- b. Each course taken in Area A (Basic Subjects) must be completed with a grade of ~~C-~~ of C or higher.**
- c. Courses taken to satisfy category B-4 (Mathematical Concepts and Quantitative Reasoning) must be completed with a grade of ~~C-~~ of C or higher.**
